

Major medical employer coverage for large groups (51+ employees)

NEW! First dollar coverage plans at an affordable price

Our newest plan provides the lower premiums of a high deductible plan with the employee satisfaction of a copay plan.

- Ideal for members who are transitioning from a traditional co-pay plan
- Gives employees the ability to get basic care without the financial barriers to meeting their deductible

\$0 No cost-sharing for the most frequently sought services*

Provider office visits[‡]

Specialist office visits[‡]

Telehealth visits

Mental health provider office visits

Generic Rx drugs

How it works

Example Benefit Amount for a mental health visit is \$150

Mental health provider's cash price is \$130

Members can make money for shopping smart - Pre-deductible

- Member pays \$0
- Member pockets the \$20 savings regardless of whether deductible is met
- No amount is contributed towards meeting the deductible
