Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$750 / individual or \$1,500 / family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care services are covered before you meet your deductible . This plan also covers the following item and services before you meet the deductible : primary care provider office visits, telehealth visits, specialist provider office visits, mental health provider office visits, and outpatient prescription drugs.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	For pharmacy, facility, and provider charges at or below the Benefit Amount \$750 / individual or \$1,500 / family; for pharmacy, facility, and provider charges in excess of the Benefit Amount Not Applicable.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, pharmacy, facility, and provider charges in excess of the Benefit Amount and health care this plan	Even though you pay these expenses, they don't count toward the out-of-pocket limit . You may view the Benefit Amount for each covered service on our website at http://www.sidecarhealth.com .
