

NEED TO FILL A PRESCRIPTION?

1. AT THE DOCTOR

- Ask your doctor for a written script so you can compare your Benefit Amount (fixed amount your plan pays) to local pharmacy prices

 **TIP:** Save money by choosing a pharmacy that charges less.

2. SELECT A PHARMACY

- Login to the member portal: app.sidecarhealth.com
- Compare the Benefit Amount with local pharmacy cash prices in the 'Estimate Care' tab
- Fill your Rx at the pharmacy of your choice
 - Mail-order works well with your plan, also
- **Save more with a pharmacy discount code.** ScriptSave codes can be found in the member portal --> "At the pharmacy" Others include: GoodRx, Single Care, Cost Plus Drugs, Amazon Pharmacy

 **TIP:** Filling multiple Rx? Members often choose the pharmacy with the lowest price on their highest cost Rx.

3. APPLY DISCOUNTS AND PAY

- Identify yourself as a self-pay patient
- Don't forget to provide your pharmacist with your chosen discount codes **before** paying
- Pay for your Rx with your Sidecar Health VISA benefit card or a personal payment method

 **TIP:** Double-check the itemized medical invoice is stapled to or included in your Rx bag.

4. SUBMIT YOUR ITEMIZED INVOICE

- Log into the member portal and find the expense under 'Open Expenses'
- Snap a picture of the receipt stapled to, or included in the bag. This is your itemized medical invoice. Upload it to the expense within 90 days

 **TIP:** Do not submit your credit card transaction receipt.

USING MAIL-ORDER

You may choose to use a mail-order pharmacy licensed by a U.S. state, such as: Honeybee Health (Use **SIDECAR10** for 10% off 1st purchase); Gogomeds (free standard shipping); Amazon Pharmacy (free 2-day delivery for Prime members); Cost Plus Drugs.

FILLING SPECIALTY RX

You can access specialty medications priced at your plan's Benefit Amount through **CVS Caremark Specialty Pharmacy** (generic alternatives only). Learn more at sidecarhealth.com/specialtyrx.
