

Support for all your care needs, from simple to complex

We're here for you every step of the way

Facing complex healthcare situations can feel overwhelming—but you're not alone. Whether you're expecting a baby, planning a surgery, or managing a chronic or long-term condition, we're by your side with personalized one-on-one support.

How to get started

1. Message us through your member portal inbox

Log in to your member portal and send us a message.

Prefer to call? Just dial (855) 282-0822

2. We'll guide you from there

When you connect with us, we'll provide step-by-step support.

What we offer

1. Benefit Verification

Got a provider in mind? We'll confirm your benefits and pricing so there are no surprises.

2. Provider Location Assistance

Need help finding a quality provider? We'll match you with one that fits your needs and budget—you're guaranteed to have an option within your Benefit Amount.

3. Benefit Navigation

We offer extra guidance for high-complexity, high-stress situations like cancer treatment or other episodic conditions.

4. Continuity of Care

Switching plans? We make sure your ongoing care continues without worries about your costs or care interruptions.

Reach out early

The sooner you contact us, the better we can support you.
Member Care is available 7 days a week at (855) 282-0822.
